

How to use a Bridgemate

The Bridgemate likes to sleep – press OK to wake it up

Press CANCEL to delete/correct an entry

Initial Display:

BRIDGEMATE PRO v2.2.1a US

 Press OK. Next – If correct Section/Table

SECTION: A TABLE: 2

 Press OK

Enter member numbers of players initially sitting at this table:
Press OK after each number entered.

N: 8765432 S: 1234567

Round information is displayed:

ROUND 5, 11-12 NS: 1 EW: 10

 If Boards and opposing team correct – Press OK

The following screen will appear:

BOARD: CONTR:

 Enter Board number – press OK

After the bidding:
Enter: Contract (press “Pass” if passed out – press “0” if will be Late [or NO] Play)
X (if doubled) or XX (if redoubled) [omit if neither double or redouble]
N/S (once for N or twice for S) – or – E/W (once for E or twice for W)

With correct BOARD and CONTRact :

BOARD: 7 CONTR: 6H x N

BOARD: 3 CONTR: 4H E

Press OK

Press OK. The following screen should appear:

RESULT:

Play the hand.

After the board is played – press OK (to wake Bridgemate) and enter the result.
Key the number of tricks made or down:

RESULT: 3

RESULT: -2

 Press OK

Note: CANCEL will return you to the Contract screen – if any question.

VERIFICATION BY E/W

 Will appear for 1 to 2 seconds. **Wait for the results to appear.**

Pass the Bridgemate to East or West.

Board 5, 2S 3 BY West, +140

Board 11,2H x 3 By East: +570

The score is from the Declarer’s viewpoint.

Note: CANCEL will return you to the Results screen – if results not correct.

East (or West) checks the entry and, if correct, presses OK.
Please tell the person sitting East (or West) that they need to do this.

ENTRY COMPLETED SHOW RESULTS?

 Do nothing and the Bridgemate will “go to sleep” in 20 seconds.
If you wish to see the comparative results of this board, **and** if the option is active for this game – press OK.

The score and percentage is from the **Declarer’s** point of view.

2S W 3 +140 = 0%

This is Bottom for E/W and TOP for N/S.

One last option (if active for this game) is a listing (from N/S point of view) of results on this board at other tables.

E 1D 2 -90 E* 5D 5 -600
